NIGHT GAMES

The HOME (1st named) team is to arrange keys, set up the diamond and provide a plate umpire. The AWAY (2nd named) team is to pack up the diamond and provide the line umpire. Teams will provide umpires for their own games.

ABANDONED GAMES DUE TO INCLEMENT WEATHER

2 Sunday's will be added to the season schedule as 'Replay Days', one before Christmas and one after Christmas.

This year's dates are: SUNDAY 4th DECEMBER 2011 & SUNDAY 4th MARCH 2012, please inform your club members to keep these dates free! THESE DATES COINCIDE WITH SEMR REPLAY DAYS!

If a round has been abandoned or washed out prior to either of these dates, it may be scheduled to be replayed at the discretion of the Competition Manager and the Executive

If there are no abandoned games then there will be no games played on these days.

RE-SCHEDULING GAMES

Individual games that need re-scheduling may be replayed if both teams agree to a date within a two week period of the scheduled game date, and subject to diamond availability and Competition Manager approval (the game does not need to be re-played within the 2 weeks, simply a date set). If a date can't be agreed within the 2 weeks, the team requiring the re-schedule shall forfeit the game.

It is the responsibility of the team requiring the re-schedule to inform the Competition Manager, opposing club and umpires that the scheduled game will not be played.

PLAYER RECORD FORM – GAMES NOT AT KNOX

Games played at Associations other than Knox, teams ***MUST*** complete the Player Record Form (found on page 15 of this manual), and submit this into the score-card box upon their return to Knox.

This allows for game numbers to be recorded, and VSA/KDSA fees to be invoiced more accurately and timely.

SCORE CARDS (Rule 35 in Bylaws)

- (a) The score cards must be collected from the pavilion by the first named team. The score card is to be completed in BLOCK LETTERS by the first named team and shall show the Given Name, Surname, and Number of all players.
- (b) It shall be handed to the Plate Umpire prior to the commencement of the game.
- (c) At the completion of the game, the score card must be signed by both Scorers, the Plate Umpire and both Line Umpires. The ***winning team*** must return the score card to the Score Card Box at the Pavilion. If the winning team does not place the score card in the Score Card box by the end of the day's competition, a penalty will apply.

PENALTY: No points will be awarded to the winning team for the game.

- (d) Any lost or mutilated score cards must be reported to the Registrar on the day, and they will be replaced by scores and player details taken from both score books.

FAIREST AND BEST VOTING (Rule 37 in Bylaws)

The two coaches (or his / her nominee Club member) shall give 3, 2, 1 votes for the best players **from either team** on the diamond. The voting slip shall clearly identify the Grade and Team, and shall be placed in the same box as the score cards on the day of the competition.

PLAYER INTERCHANGE BETWEEN GRADES (Rule 29 in Bylaws)

(a) Players may interchange between Grades at any time during the season. However, no open age player may interchange down more than one Association Grade. Clubs and coaches are requested to adopt a strong sense of fair play when using players registered in a higher Grade to play in a lower Grade, particularly in C Grade. C Grade is designed to allow less experienced and older players to enjoy softball and participate in a healthy sport. It is NOT appropriate to play down players that are capable of playing at higher levels such as A Reserve or A Grade in this competition.

(b) No more than (2) registered 'A Reserve' Open age players may play in a 'B' Grade team, and no more than (2) registered 'B' Open age players may play in a 'C' Grade team on the same day.

(c) A senior player may not interchange between teams in the same Grade once she / he has played three games with one of the teams. At that point, she will be eligible to only play in that team in the Grade, and will be regarded as registered with that team.

(d) A junior player may not interchange between teams in her registered Age Grade once she has played three games with one of the teams. At that point, she will be eligible to only play in that team in the Grade, and will be regarded as registered with that team. A Junior player may interchange between teams in a higher Age Grade, or in Senior Grades without restriction, subject to Bylaw 29 (e).

(e) No player may play twice in the same Grade on the same day. Where 2 Grades play at the same time, no player shall play in two games in the same game time

RULES FOR THE COMBINED UNDER 12 COMPETITION - 2011 / 2012 SEASON

Revised December 2010

1. At all times coaches are to encourage and promote fair play and full participation in the normal rules of softball. Encourage players to hit the ball, develop defensive skills and develop pitchers. Slight variations to the softball playing rules are designed to assist the development of players, not for strategic purposes. These rules cannot be varied unless by a joint management decision of the 3 Associations.

2. RULES – All rules as stated in the ASF Official Softball Playing Rules & Case Book will apply, with the exception of the following rules.

3. PITCHING DISTANCES

Under 12 Girls – 35 feet

Under 12 Boys – 35 feet

4. MINIMUM PLAYERS - A minimum of seven players are to start and finish all games.

5. DECLARATION RULE – If during a team batting innings, a team coach wishes to declare the innings so that they may field, they may do so. This means that they have completed their turn at bat. This may only occur once per team in a game.

6. CATCHER SPEED UP RULE – If the batting team has two out, and the team's catcher is currently on base as a runner, they may substitute the catcher with any player on the bench, including all reserve players.

7. NINE BATTER RULE – The nine-batter rule will occur in Under 12's. In the Under 12's, there shall be no blanks in the batting line up. Therefore, if a team has seven or eight players, they shall still bat through to the ninth batter or three outs, whichever ever occurs first. The next innings, the next batter in the batting line up then commences the new innings. Once the ninth batter is given safe, and play has ceased, all runners on base will then proceed to run home touching all bases on their journey. The defensive team shall remain on the diamond until the last runner crosses home plate.

– The nine-batter rule: This rule only applies when the 9th batter has their turn at bat. If the ninth batter was the third out, then the side is called. If the ninth batter is only the first or second out, then all other runners are allowed to score. If the ninth batter gets on base, then he or she and all other runners are allowed to score. No runs shall score when the ninth batter is the third out as a result of a force out, as described in the rules of softball.

8. PITCHER / CATCHER CHANGE - The Under 12 pitchers and catchers MUST NOT PITCH or CATCH MORE THAN two innings. They may change between each role. This rule does not apply in finals.

9. BALLS – An 11 inch softball will be used (the soft core variety). This is the ASF and VSA recommended ball, and is included in the "Pathways" guidelines. The ball will be optic yellow.

10. TIME VARIATIONS – There shall be a fifteen minute grace period for teams to arrive at the ground if they have been held up due to a previous game, or for reasons outside their control. The game shall run for 1 hour + 10 min from the starting time. The scheduled time for the Under 12 competition is 11.00 am to 12.10 pm. If a game is late in starting, the umpire shall advise both coaches and scorers before commencing the game, of the finish time of the game.

11. MATCH CARDS - These cards must be collected by the first named team from the office at the ground where the game is to be played, no later than thirty (30) minutes prior to the commencement of the game.

The scorecard must be completed in BLOCK LETTERS, and show registered First Name, Surname and number of all players. The card must be filled out using a ballpoint pen or other non smudge pen, not pencil. At the completion of the game, the scorecard must be signed by the scorers, and the plate and line umpires.

The winning team must return the card to the office within fifteen minutes of the completion of the game. Failure to hand in the scorecard by the end of the last game constitutes a loss of match points for that game. Failure to fill in the scorecard legibly will also constitute a loss of match points for that game.

The host Association will ensure that the results and a copy of the game cards are forwarded to Mark Scammell of DSA to update the ladder each week.

12. MIDWEEK GAMES - Some rounds may be played through the season on a weeknight basis, depending on availability of the grounds.

13. ELIGIBILITY FOR FINALS – To qualify for finals, a player must play four games with that Club. However, they must play at least two games for the team.

14. FINALS – TIMED GAMES WITH THE 5 MINUTE RULE: THAT IS: UNDER 12 – 1 HOUR AND 10 MINUTES

If at the completion of seven innings or time, a result has not been achieved, the international tiebreaker rule will apply until a result is achieved.

15. PROTECTORS - It is the recommendation of the Dandenong, Knox and Frankston Associations that all boys wear protectors. However, it is compulsory in the male competition that both the pitcher and catcher wear protectors. Coaches please ensure players comply. **All players are also advised to wear mouth guards and shin guards**

16. CAPS - As part of the Sunsmart and Heat Policies, all players and officials must wear a peaked cap. Officials have the option of wearing a peaked cap or broad rimmed hat. **Visors are not acceptable**

17. MINIMUM AGE – All players must have reached the age of eight (8) to participate in this competition. A signed parental consent form, and a statement of school level, is required if a variation to the minimum age is sought for any player.

18. If an underage / overage player is to be accepted, details must be verified by an accredited level 1 coach, and an application must be made to the DSA / KDSA / FSA management, and all Associations must be in mutual agreement.

If that player participates in more than 2 games in their normal age group, then they will not be allowed to continue to play as an “over age” player in the lower age group

19. If a team is unable to field 7 players to make a game, coaches are encouraged to find other players, including players of the opposite sex, to enable a game to proceed. The game is essentially a walkover, although coaches can agree to make it a live game. **Get the players playing.**

20. Coaches are encouraged to re-enter **young and inexperienced players** on and off the bench to give the players as much game time as possible, and not spend half a game sitting on the bench. This is a good faith initiative, and will only work if coaches act responsibly. **Get the players playing.** Coaches must advise each other that they have over 9 players, and will be re-entering players in a fair and responsible manner. This initiative will not apply in finals, and the normal re-enter rule will apply.

21. USE OF THE BATTING TEE IN UNDER 12'S

This rule has been re - endorsed for the 2010 / 2011 season, and can be subject to joint management review during the season. Clubs affected will be advised. Any change will be strictly adhered to.

If a batter receives 4 balls during their turn at bat, the batting tee will be used. All fielders will be in their normal positions. The batter, and any runners already on base, will only be allowed to advance a maximum of 1 base on the hit. Coaches are reminded that all players are to be encouraged to swing at the pitched ball where possible.

The tee sits with the tee above the front of the home plate so that the batters are encouraged to hit the ball when the ball is out in front. The ball must travel at least three metres (three big steps) and be an actual hit. The bat must strike the ball and not the tee, otherwise it is a foul. There is no limit to the number of strikes off the tee, as we want players to hit the ball.

22. If a team has young / new players, coaches are encouraged to enter the diamond when a team is fielding and support the new / young players when necessary. This is a good faith initiative, and will only work if coaches support each other. Batting coaches are still permitted under the normal rules of softball.

23. In 2008 a new initiative was introduced to encourage consequential play when using the tee. If a ball is hit off the tee, and is an infield hit, **all play that occurs is live and not restricted to the one base.** If a ball is an outfield hit, the umpire is to call time, and the runner can only advance one base. Eg: the ball is hit to short stop who fields the ball and throws it to first base, where the ball is dropped. The runner/s can run on at their own risk. A ball that races along the ground through the infield to the outfield is classified as an outfield hit. All runners can only advance one base.

24. COMPLAINTS – SUGGESTIONS - If a team has a complaint or suggestions in reference to the playing of games, they are to contact their Association in writing with their complaint so that the Association may investigate it. All three Associations need to be aware of any issues. These must be resolved within 4 weeks of a complaint being received.
